Volunteer Kansas accepting applications for Seed Grants

Apr 8, 2016

Volunteer Kansas is offering organizations in Kansas the opportunity to apply for Seed Grants in the amount of \$500. Grants are given to help support service projects that will engage volunteers.

This is the fifth year Volunteer Kansas has made Seed Grants available. The vision of Volunteer Kansas is to move Kansas from the state ranking of number five for volunteerism to number one.

Ten grants will be awarded in May for use before December 31, 2016.

Organizations interested in applying will need to write a paragraph about the organization, including contact information. They must also write up to three paragraphs explaining the project, how volunteers will participate and who it will benefit. They should also write a budget detailing how the \$500 grant will be used.

Information should be emailed to contact@volunteerkansas.org by April 17.
